

# BOARDING RELEASE FORM

**Thank you for choosing Country Hills Veterinary Clinic to care for your pet!**

\*When your pet is boarded, we ask that you leave an emergency number where a family member or friend can be reached. It is the policy of the hospital that if an animal gets sick, we have your permission to treat that dog, unless we are given instruction to the contrary. We feed Science Diet Canine/Feline Maintenance dry to all of our animals. If your pet is on any special diets please let us be aware.

## **REQUIRED INFORMATION:** Please answer the following questions

We require all pets boarding to have a current physical exam within one year. One of our doctors will perform an exam if it is needed (there is an additional charge for this). If we have not boarded your pet before there will be an exam charge, regardless if they have been seen at another veterinary hospital.

**Is your pet current on his/her yearly exam?** YES NO

\*For dogs that are staying with us, we require them to be current on all vaccinations including Bordetella, Rabies, and DHLPPC. A heartworm test is also required.

\*For cats that are staying with us, we require them to be current on all vaccinations including Feline Leukemia & Feline Distemper. Also felines are required to have a Feline Leukemia and Feline AIDS Test.

**Is your pet current on vaccinations / treatments?** YES NO

We require all pets to be flea free. If we notice fleas we will treat immediately at owner's expense.

**Is your pet on flea preventative?** YES NO If so, which preventative?\_\_\_\_\_

All pet's currently on medication must continue taking medication while boarding. There is an additional charge for administering medications.

**Is your pet on any medications? YES NO If so, please list medications below.**
